FACTS	WHAT DOES WINWAY MOTORS DO WITH YOUR PERSONAL INFORMATION?
Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: <ul style="list-style-type: none"> <li>• Social Security number and income</li> <li>• Credit history and credit scores</li> <li>• Employment information and checking account information</li> </ul> When you are no longer our customer, we continue to share your information as described in this notice.
How?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information. The reason Winway Motors chooses to share, and whether you can limit this sharing.

Page 2

Who is providing this notice? **Winway Motors**

**What we do**

How does Winway Motors protect my personal information? To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secure files and backups.

How does Winway Motors collect my personal information? We collect your personal information, for example, when you:
 

- Show your driver's license
- Give us your contact information
- Apply for financing
- Apply for lease
- Provide employment information

 We also collect your personal information from others, such as credit bureaus, affiliates, or other consumers.

Why can't I limit all sharing? Federal law gives you the right to limit only sharing for different everyday business purposes—information about your creditworthiness, affiliates from using your information to market to you, sharing for nonaffiliates to market to you, State law and individual companies may give you additional rights to limit sharing.

**Definitions**

**Affiliates** Companies related by common ownership or control. They can be financial and nonfinancial companies.

**Nonaffiliates** Companies not related by common ownership or control. They can be financial and nonfinancial companies.  
 • Winway Motors does not share with nonaffiliates or they can market to you.

**Joint marketing** A formal agreement between nonaffiliated financial companies that together market financial products or services to you.  
 • Our joint marketing partners include a vehicle finance companies and related financial institutions.

## [01] Content: Rentals Policy

Rental Policy information.

IT'S A STATIC PAGE

## [01] Vehicle Categories

Vehicle categories selector. User will clicks the vehicle categories and will filter all vehicles based on that categories.

When user hover it or on the active state, the image will be enlarge and also the border and background change to a different color.

## [02] List Result

List of the rental cars based on category.

Image and Car brand and/or model is clickable and link to the car detail page.

Book button will start the rental sequence.

### NOTE:

Car Make/Brand, Car Model, Car Color and Car Image are from Evox database, that required to integrated with Whitley Winway own database.

Car Detail Page and Rental Sequence still in progress of the design.

The screenshot displays the Winway Motors website interface. At the top, there is a navigation bar with 'WINWAY MOTORS' and links for 'SALES', 'RENTALS', 'SERVICES', 'ABOUT US', and 'LOGIN REGISTER'. Below this is a secondary navigation bar with 'RENTAL POLICY', 'VEHICLES', and 'SPECIALS'. The main content area is divided into two sections: '01 Vehicle Categories' and '02 List Result'.

**01 Vehicle Categories:** This section features three category buttons: 'SEDAN', 'SUV', and 'EXOTICS'. The 'SUV' button is highlighted with a larger image and a different background color.

**02 List Result:** This section displays a list of three Mercedes-Benz GLK-350 vehicles. Each entry includes a car image, a 'BOOK' button, and a table of rental rates:

Mercedes-Benz GLK-350 3.5L gasoline V-6	\$ 100.00 / DAY	BOOK
Exterior: Gray	\$ 550.00 / WEEK	
Interior: Black	\$ 2,000.00 / MONTH	
Horsepower: 302 hp		

The bottom of the page features a footer with columns for 'Sales', 'Rental', 'Services', 'About Us', and 'Winway Motors'. The 'Winway Motors' column includes the address: 9063 Garvey Avenue, Rosemead, California 91770, and social media icons for Facebook, Twitter, and LinkedIn.

REPLACE/LOST TITLE

DMV FORMS

### Transfer your California Vehicle Title Online

**Purchasing or selling vehicle**  
In just a few easy steps, you can complete your California vehicle title transfer with Cartagz.com without leaving your home or office.

We'll provide the necessary DMV forms and personally walk you through the process.

CALIFORNIA TITLE TRANSFER

01

Simply select the California title transfer link and follow the instructions. You will be asked to fax the front and back of the vehicle's ownership certificate to 866-497-7465 or you may e-mail the same to transfers@cartagz.com.

Be sure to print and include the fax cover-sheet so that we can match-up your order.

02

Within one business day,\* you will be contacted by e-mail to confirm the amount of DMV fees and advise you of any other requirements. If permitted, you may post DMV fees and we'll record your name as the new registered owner into the DMV database.

\*During normal hours of operation. For Cartagz.com hours, contacts and other information, click here.

03

Cartagz.com will immediately send you your official DMV Report of Deposit of Fees with a return envelope to send back any items required by the DMV to finalize the ownership certificate.

04

**Done!**  
Once all required items & fees are provided, a new original Certificate of Title to your vehicle will be forwarded to you automatically by the California DMV.

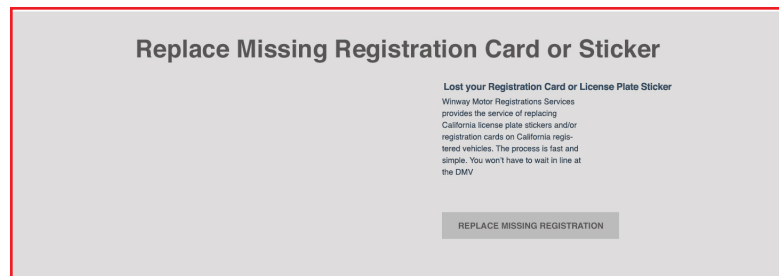

## [01] Registration Services

Registration Services selector. User will clicks the service and will display information based on that service.

When user hover it or on the active state, the image will be enlarge and also the border and background change to a different color.

## [02] Content

The content based on Renew Registration.

IT'S A STATIC PAGE

01

Simply click this link, Replace Missing Documents and Stickers. Select the appropriate service and enter the vehicle information.

02

Once your vehicle information has been processed, you can complete the purchase by following the instructions on the next page. CarTagz.com is a secure website and we accept all major credit cards.

03

Your order will shipped within one business day and we offer express shipping if you're in a hurry. You will receive a confirmation e-mail when your order has been shipped.

### Request a Same Day E-Copy

You may also request a same day e-copy of your official DMV receipt during checkout. This would be useful if you have to provide proof of payment today.

For a replacement sticker, you must be the current registered owner to complete this request. You will be asked to provide a copy of your driver's license or ID card after check-out. It may be faxed to 916-258-0299 or scanned and e-mailed to [taxes@cartagz.com](mailto:taxes@cartagz.com).

Replacement sticker orders include a new official DMV replacement registration card at no additional charge. This document should be kept with your vehicle at all times.

## [01] Registration Services

## [02] Content

The content based on DMV Forms.

### Recommendation:

Create a database table for this form, so its can be dynamically add or remove without touch the html page.

## [01] Sequence indicator

The sequence indicator will inform user there's how many step to accomplish, it also will indicate to them which step they're at that moment, and how many steps they were done

## [02] Step 1: Vehicle Information

User must fill all the field for data to be process.  
User must click 'Next' button to continue.

On the server side, all information will save into the database, and email it to the Winway to be follow up and the user too.

## [03] Step 2: Calculate the fee

Based on the previous data, it will lookup the fee information.

User have several options:

If user agree to process, click the 'NEXT' button.

If user want to continue for later, click 'RETURN LATER' button, and all information will be saved into the temporary data.

If user change their mind, click 'CANCEL ORDER' and it will remove all information, but still keep the data on the step 1.

## [04] Step 3: Payment Information

User will input the payment information, billing and shipping address.

The bottom part will display any changes of the amount charges, including the shipping and e-copy.

If user click for remind by email when registration about to expire , it will save to the database and it will automatically generate the email before the registration expire.

User click 'Next' to continue

## [05] Step 4: Confirmation

It will confirm the information submitted, and give confirmation to the user about their registration payment via email.
